College and Career Readiness = High School & Beyond Plan + Naviance:
To graduate from high school, the State of WA requires all students develop a High School and Beyond Plan that represents what students learned about their skills, interests and goals for post high school. The Mount Vernon School District has partnered with Naviance to help students develop such a plan from middle school throughout high school. Please click on the below link to learn more:

Important News:
 Mount Vernon School District changed our food program with the government due to our high level of poverty / free and reduced eligible students.
 The new program we operate under is called CEP or Community Eligibility Provision. This allows all enrolled students to eat at no charge and there is no more free and reduced applications.
