

APPLICATION FOR TRANSITION TO KINDERGARTEN

As documented in policy 3110, to be admitted to a kindergarten program, a child must be 5 years of age prior to September 1st of that school year. Pending available space and resources, special exemptions may be made for younger pupils who appear to have the ability or need, or both, to succeed in the educational program. To make determinations regarding early entry to kindergarten, Mount Vernon Schools has a professional screening process in place to measure the following: mental ability, gross-motor skills, fine-motor skills, visual discrimination, auditory discrimination, social/emotional development, and language development.
