

BOUNDARY ADJUSTMENT UPDATE

School Board Presentation
Wednesday, March 6, 2019

COMMITTEE PROGRESS

2017-2018

- Identify main considerations that the new attendance boundaries will recognize
- Conduct parent survey (Nov/Dec 2017)
- Develop boundary proposals
- Parent/Community presentations

2018-2019

- Harriet Rowley Elementary opens for Madison Elementary program
- Madison Elementary rebuilt
- Boundary adjustment work finalized
- Boundary recommendation to and decision by School Board
- Notify Families

2019-2020

- Madison Elementary School re-opens
- Lincoln Elementary School closes as a school
- New Boundaries implemented across the district

COMMITTEE GOALS

Safety

attendance areas will consider the safety of students walking, biking, and bus stop locations

Equity

attendance areas will create student populations in each school that are similar in size (balance enrollment) and student makeup (demographics)

Efficiency

attendance areas will make the best use of district resources and provide efficient school and transportation operations

PARENT & COMMUNITY ENGAGEMENT

Fall, 2018

Map Option A and Map Option B

- Questions raised about **geographic spreads of school attendance areas** and **decisions about particular neighborhoods** in both Map Option A and Map Option B
- Updated 2018-2019 enrollment data showed **Harriet Rowley was over-enrolled** in both map options

PARENT & COMMUNITY ENGAGEMENT

In response to questions and concerns:

- Four (4) maps were developed that addressed the geographical spread of school attendance areas and specific neighborhoods as well as over-enrollment at Rowley Elementary
- Two (2) of the four (4) maps under-enrolled at Little Mountain Elementary
- Two (2) options for parent/community review in March
 - Map Option B-3
 - Map Option B-4
